

## COMMUNITY BENEFITS

- Minimum **\$4.4 Billion** of investment injected into local economy, creating jobs, growth and prosperity; funds only come with a Games program;
- **\$1 Billion** of wage earnings for Calgary and Alberta;
- **1,800** athlete housing units will be built, 80% used for affordable housing after the Games;
- **\$1 Billion** contingency included in the Calgary 2026 budget/plan;
- **11** modernized venues; **87%** of venues already exist and will be utilized for the 2026 Games delivery;
- **2** new community venues; mid-size arena and much needed fieldhouse;
- **\$180 Million** Legacy Fund; providing sustainable funding for facilities and programs that will keep our city healthy, including our youth, Indigenous youth, and world-class athletes who choose to make a career in sport;
- Hosting the 2026 Olympic and Paralympic Winter Games allows Calgary to maintain our position as a winter sport city and centre of excellence; since 1988 we have hosted over **150** World Cup events in the region contributing to our tourism and sport sectors;
- Deliver a shared vision for our future, lifting our community spirit; our volunteer **superpower** will be mobilized again to make the difference;
- Thousands of kids have learned to play, compete and be healthy as a result of our 1988 legacy venues and we want this for the next generation; over **1.2** Million visitors at WINSPORT each year;
- Since 1924 Canadian Olympic and Paralympic athletes have collected over **1700** medals in combined Summer and Winter Games' performances;
- Calgary, it's your decision!
